RIJEČ ORGANIZATORA

Zagreb salon i ove godine u konačnici izgleda kao i prethodne 102 godine. Fotografije iz cijelog svijeta izložene su u atraktivnom muzejskom prostoru, na tradicionalan način. No, ove je godine ipak puno toga drukčije nego dosad jer je način organizacije promijenjen te je prilagođen novom dobu globalnih komunikacija.

Zagreb salon tradicionalno prima mali postotak fotografija jer se najboljim fotografijama želi osigurati elitan prostor i dobar smještaj. Ove je godine broj primljenih fotografija još manji nego inače. Razlog je što su fotografije primane u digitalnom obliku. Izložbe salona održavaju se i u drugim gradovima. Dosad su nagrađivani radovi bili izlagani u Zagrebu, a oni bez nagrada izlagani su po drugim gradovima u Hrvatskoj, tako da je priman veći broj fotografija jer je trebalo popuniti i druge galerije. Ove godine fotografije su izrađivane iz pristiglih digitalnih datoteka, što nam je omogućilo da nagrađene fotografije umnožimo u više primjeraka i tako ih predstavimo po Hrvatskoj. To je uvijek bio naš cilj, privući vrhunsku umjetničku fotografiju iz svijeta i prikazati je u muzejima i galerijama širom Hrvatske.

Ovogodišnji je žiri bio sastavljen od predstavnica struke iz cijelog svijeta, što je rezultiralo time da su odabrane fotografije i umjetnički i tehnički na izuzetno visokoj razini. Žiri je podjednako ocjenjivao ideju, način realizacije i tehničku kvalitetu fotografije. Iz tog smo razloga tražili da poslane fotografije budu u visokoj rezoluciji. Svaka fotografija koja je zadovoljila umjetničke kriterije mogla je dodatno biti provjerena i s tehničke strane. Sve je to, uz vrhunsku kvalitetu modernog načina ispisa, kao rezultat dalo jednu iznimnu izložbu fotografija kojom se mogu ponositi ne samo autori nego i organizatori. Dobro nam došli na 34. Zagreb salon.

mr. sc. Damir TILJAK
predsjednik Fotokluba Zagreb

A WORD FROM THE ORGANIZER

Zagreb Salon looks the same this year like it has looked for the previous 102 years. Photographs from around the world are exhibited in an attractive museum space, in a traditional way. However, this year much has changed in comparison with previous years because the way the exhibition is organized has been changed and adapted to the new era of global communications.

Zagreb Salon traditionally accepts only a small percentage of photographs because we want to secure elite exhibition space and prominent position for the best photographs. This year, the number of accepted photographs is even lower than usual. The reason is that photographs were accepted in a digital form. The Salon exhibitions are being held in other cities as well. Until now, awarded photographs were exhibited in Zagreb, while non-awarded ones were exhibited in other Croatian cities, and the number of accepted photographs was higher because additional photographs were needed for other galleries. This year, photographs were printed from digital files, and that has enabled us to make several prints of the awarded photographs and to exhibit them throughout Croatia. That was our goal from the very beginning, to attract the top art photographs from around the world and to exhibit them in museums and galleries throughout Croatia.

This year, the jury has been comprised of representatives of scholars from around the world, and that has resulted in extremely high artistic and technical quality of the selected photographs. The jury has given approximately equal weight to idea, way of production and technical quality of photographs. That is the reason why we have asked for submitted photographs to be in high resolution. Each photograph that satisfied artistic criteria could be further verified for its technical characteristics. All that, and the superior quality of modern printing, resulted in an extraordinary photo exhibition which both authors and organizers can be proud of. Welcome to 34th Zagreb Salon.
